

## Bylaw Amendment Notes

2018 General revision draughted by David Jarman VE3RNF

Amendment proposed by virtue of Motion adopted at 2018 Feb 08 General Meeting. Draughted by David Jarman VE3RNF

### ***Motion 1***

- Item 3f) amended as follows:
  - Original: f) to train members of the club for emergency and disaster communications and to keep equipment ready and available for such events.
  - Amended: f) to train members of the club for emergency and disaster communications and to keep equipment ready and available for such events. This includes integrating such training and cooperation with the local Amateur Radio Emergency Services (ARES), the Niagara ARES Emergency Coordinator and others as required.
- Item 7.3 added as follows:
  - 7.3 Niagara ARES Emergency Coordinator  
If the Emergency Coordinator is a Full Member of the Club they will become an ex officio member of the Executive
- Item 14 added as follows:
  - 14. Niagara ARES (Amateur Radio Emergency Service)
    - a) The Club recognizes that Niagara ARES draws its members from a common pool of Amateur Radio operators and that events that fall under 3.g), above, may be conducted in the name of either or both entities without prejudice.
    - b) The Club may recommend a member, in good standing, to the Southern Ontario Section Emergency Coordinator of ARES for appointment to the position of Niagara ARES Emergency Coordinator.

### ***Motion 2***

- That the bylaws be updated to reflect societal norms and to be in line with past practices. That misuse, spelling & redundancy errors be corrected.
  - Motion Passed: All sections of the bylaws checked, corrected, and edited per motion.
